*Pool Project:* no substantial changes since our last meeting - John should have his report ready by the end of March, Charlotte will be presenting her thoughts to our April LGA meeting. In informal discussions about the P R-P spout, we agreed it is probably best if we presume the spout is part of our plans until/unless the costs render it unviable, and we will make the EH application on this basis.

*Sculpture Planting:* white vinca minor arriving this week -Vols can plant at the weekend session. Janet spent £119.69 of agreed £125 budget. Roma to identify way to protect new plants with vols and action. **Action: Roma**

Content of AGM to be discussed at next meeting. **Actions: Jim, Dave, Jill, Lorette, Liz**

#### **7 - 8. Friends of the Lamb and Leechwell etc**

Catherine and Roma working closely together but planning to keep monthly LGA sessions separate from Lamb/Gardening for Health sessions. Monthly programme being devised by Laurel and Jenny: agreed dates are 22/3, 26/4, 24/5, 21/6, 19/7 and possibly a kids' day in August. They are proposing a wildflower garden and labyrinth but no real clarity currently on where to site these. Discussion also about the area adjacent to the Herb Garden and the outstanding piece of work needed there. Agreed they should email clarification of the work to be done in March for approval, and we can then discuss the overall programme at the April LGA meeting with them, and Charlotte. Catherine to advise/invite Laurel and Jenny accordingly.

**Action: Catherine**

Roma and Catherin plan to combine email networks and looking to create a club to encourage wildlife etc. Muddy Mums are willing to manage fortnightly activities in a kids corner where the sunflowers were. Jeannette has been asked for recommendations. All supported this proposal - Catherine to prepare list of start up items we may fund, and Roma to determine where to move artichokes! **Actions: Catherine, Roma**

The purchase of a propagator has been suggested - Roma to see if a suitable place can be found in the garden, and Catherine to check in the Lamb (possibly near the car park?)

**Actions: Roma, Catherine**

### **9. Spring Event**

Jim, Jill, Lorette unable to come. Date (re-)confirmed. Plans for activity from Muddy Mums, Dangerous Dads, cakes and tea, harpist, possibly storytelling, plant stalls, but currently a lack of response from other groups.
